WHAT YOU NEED TO DO

Work your way up the RSE Roadmap to discover how you should be preparing for Summer 2020. On the left, discover what you need to do and when to ensure you are on track. On the right, you will see how to complete each task and find links to a variety of free resources that will help you to do so - just click on the links (underlined) to read and download them. All of the resources and information provided have come from our *Primary School Relationships Education Programme* aimed at further enhancing your preparation.

In school training for whole school or targeted staff groups. Elationships Education Inset Training to support this part of the process.

on with Senior Leadership and Governors. <u>Our Relationships Education</u> <u>Policy and Practice bespoke sessions</u> can help you with this.
